

2010 Desk Calendar

Supplies:

December Solo Kit Maya Road 2 Ring Layer Book
 3 coordinating flowers diecut or sticker flourishes (optional)
 button, jewel or pearl for the center of one flower (optional)
 Punches and decorative scissors (optional)

Directions:

1. Print out 2010 Calendar sheets – tip, do not cut apart until you are ready to adhere the calendar sheet to the page so you don't lose track of which month is which.
2. Follow the picture for each month to cover book layers with patterned paper and embellishments. Be sure to repunch holes in the top of each page to put back on the rings

January

Cover chipboard with flowered pattern side of Market PP. Mount calendar on Hopi CS, adhere at an angle and add glitter sticker letters

February

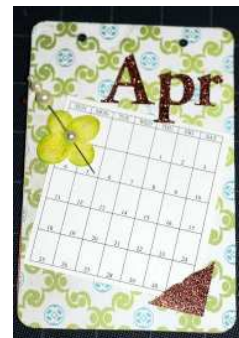

Cover the back of January chipboard with pink patterned side of Chic PP. Mount calendar, adhere stamps at an angle in top left and bottom right of the page, add glitter letter stickers. Doodle a few hearts on the side.

March

Cover next layer of ring book with green patterned side of Chic PP. Adhere calendar page. Add trim to the top of the calendar and glitter letter stickers on top. In top left and bottom right of calendar adhere the two smaller pearl flower stickers.

April

Cover the back of March chipboard with the green swirl pattern of Treasure PP. Add calendar page at an angle. Put a glitter photo sticker in the corner and letters for month on top. Stick a pearl pin through a paper flower and add a center.

May

Cover next layer of ring book with flower pattern side of Curio PP. Add a vintage button to the center of a flower and place in top left corner of page, hanging off the edge. Adhere calendar page at an angle, with top left corner of calendar tucked under the button center of flower. Add two diecut or sticker flourishes on the top and left side of calendar. Use glitter letter stickers to spell the month.

June

Cover back of May with polka pattern of Dainty PP. Mount calendar on large piece of Hopi CS and add letter stickers for the month

July

Cover next layer of book with stripe pattern of Shabby PP. Punch a scallop circle from Hopi CS and adhere glitter round sticker and flower in the center. Mount on a rectangle of Java CS and adhere to top of page. Cut a strip of Java CS for the lower piece, use decorative scissors to get a scalloped piece of Hopi CS. Adhere glitter flower stickers and adhere towards bottom of page. Add calendar page and letter stickers to spell the month.

August

Cover back of July with the handwriting paper pattern of Market PP. Use glitter parentheses to make a design in the first row. Layer a row of stamps, adhere calendar, and layer another row of stamps. Use letter stickers to spell month.

September

Cover next layer of ring book with polka pattern of Curio PP. Add trim to top and bottom of page. Adhere calendar page, glitter letters and diecut or sticker flourishes.

October

Cover back of September with orange diamond pattern of Shabby PP. Mount calendar onto Leapfrog CS. Hand cut a pumpkin from Hopi CS and stem from Java CS. Use glitter letter stickers for cut a face for your jack-o-lantern and to add month.

November and December

Cover last layer of book with flower pattern of Treasure PP. Mount both calendar sheets onto Bluegrass CS. Use glitter letter stickers for month and add diecut or sticker flourishes. Stick a pearl pin through the red button and adhere after November. Add large pearl flower (cut stem off) to center of a red flower and adhere to the top left of Dec calendar.

Back Cover

Cover back of Desk Calendar with stripe pattern of Treasure PP.
